

# Camera Upgrade Program

Exclusive Offer For MOBOTIX Partners

Security-Vision-Systems

MOBOTIX

Tradein\_07/2016\_INT

## Exchange Your Existing MOBOTIX Cameras For The Latest Model!

**Special Offer:**  
Up to 40 % off list price\*

\*Order until 23 September 2016

Take advantage of the superior light sensitivity and image quality of the new generation of MOBOTIX cameras and benefit from using this special Camera Upgrade offer.

Although cameras like the Q22 or M10 were outstanding at their time, the customer will greatly benefit from an upgrade to the latest MOBOTIX technology: The new **6MP dual lens** cameras with a new sensor and image processing technology are up to 100 times more light sensitive and supply clear images in challenging low light situations (for more information please visit our website [www.mobotix.com](http://www.mobotix.com)). Moreover, with the Camera Upgrade you will ensure the full functionality of our new video management software **MxManagementCenter**.

### How does it work?

Place your order with your local participating MOBOTIX distributor of choice using the attached Camera Upgrade Order Form and you will receive a unique discount of **40 %** on Outdoor Models (35% on Thermal Models) on the list price (for detailed pricing contact your distributor).

To receive the special discount, you need to name the project and list the old camera models to be upgraded, (e.g. M12D-Sec-DNight-DxxNxx) including the IP-address in advance. Please send the Camera Upgrade Order with the completed camera return form (see attached).

The Camera Upgrade offer is available to all registered MOBOTIX partners only and valid for orders received and processed until **23 September 2016**.

Of course, your new Thermal camera will be covered by a 2-year warranty. All new Outdoor Models will receive a 4-year-warranty based on our actual Outdoor Promotion 2016.

**Please note:** The new indoor cameras are excluded.

Exchange your existing installations and upgrade the previously installed cameras with our latest models:

#### Installed models:

M1, M10, M12, D10, D12, D14, S14, Q22, Q24, M22, M24, D22, D24, T24, MxDisplay

#### Newest models:

M15, M15 Thermal, D15, S15, S15 Thermal, Q25, M25, D25, T25, MxDisplay+

# Camera Upgrade Program

## Order Form

Security-Vision-Systems

This special offer is available for all Outdoor Models of the M15, M15 Thermal, D15, S15, S15 Thermal, Q25, M25, D25 cameras as well as the IP Video Door Station T25 and MxDisplay+ (current product portfolio and lens table, see [www.mobotix.com](http://www.mobotix.com)) that are used for a complementary upgrade of an existing installation.

Upon purchase of these models you will receive a unique discount of **40%** on Outdoor Models (35% on Thermal Models) on the local list price (for detailed pricing ask your local distributor) regardless of order quantity, as long as supplies last. **Please note: This special discount is valid only for orders received and processed until 23 September 2016.**

### Terms & Conditions:

This offer is valid for all orders received by **23 September 2016**. All prices are quoted ex-works (EXW) from Langmeil, Germany, and exclude VAT/sales tax and processing fee. Subject to change without notice.

We hereby confirm that we accept the terms and conditions stated above.

We are also responsible for the deinstallation and return of the cameras listed on the attached return form. The amount of ordered cameras must be equal to the amount of returned cameras. The return process will proceed after coordination with your authorized local distributor upon successful installation of the new cameras. Distributors will contact MOBOTIX AG for disposal instructions. For any camera models not returned by **30 November 2016**, the difference of the special camera upgrade price on your regular purchase price can be credited by your authorized local distributor.
